STACY GARCIA®
NEW YORK

Stacy Garcia

Stacy Garcia is an internationally renowned interior product designer, having initially studied and designed textiles in the UK, Europe and the USA.

Stacy Garcia tells an artisan story inspired by boutique hotels and luxury interiors. She celebrates the vibrant and soulful sights and sounds of her hometown, New York; creating a wide-ranging collection inspired by unexpected elements of the city. The Botanical Gardens, the Garment District, gritty buildings and their iconic fire escapes, all translate into sophisticated wallcoverings featuring leafy patterns, woven linens and deep textures.
