MAKE AN IMPRESSION

...more tardy
leave-taking than
on windy summits
was the rule with
the foliage.

This caused here and
there an apparent
mixture of the seasons.

Although the
time of bare
boughs had now
set in, there were
sheltered hollows

amid the
plantation
copses in
more tardy
leave-taking
on windy
was the rule
the foliage

and brambles whose
verdure was rich and
deep as in the month
of August.

To Grace these
well-known
peculiarities were
as an old painting
restored.

so that in some of the
dells that they passed
by holly-berries in full
red were found
growing beside oak
and hazel whose leaves
were as yet not far
removed from green.

and brambles
verdure was
deep as in the
of August.

steadily raising
one's levels of...

with laughs
in flowers

Remain true

who plants a tree
plants a friend

Never be afraid to sit

to the earth

If trees could talk they
would tell the most
amazing stories

a while and then

I think that I shall
never see
as lovely as a tree

plant a tree
