SPACE PLANNING
& MANUFACTURE

FURNITURE DESIGN SERVICES

Inside Out Contracts have an experienced in-house design team ready to transform your ideas into reality. Our in-house design team will also assist with your colour schemes, offering presentation boards, samples and advice to avoid expensive design mistakes.

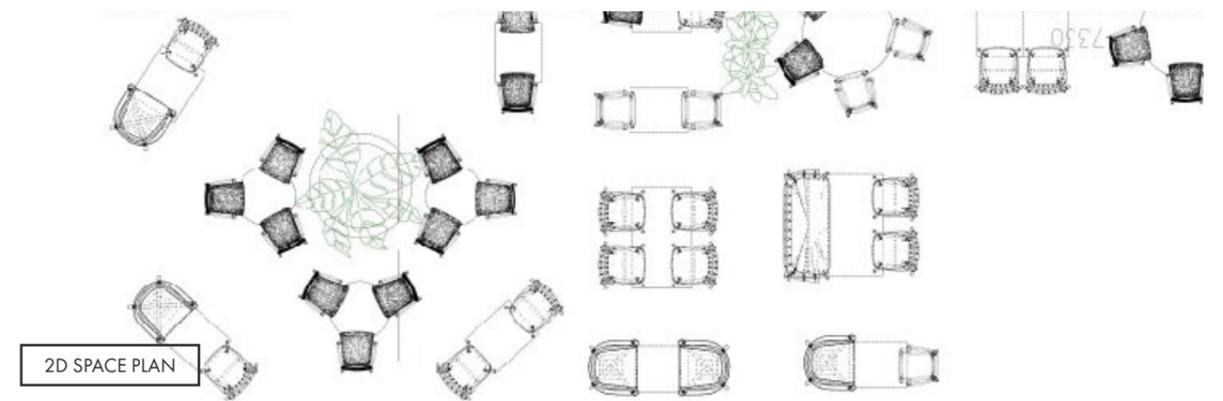

2D SPACE PLANNING

Space planning is an essential tool for interior designers and business owners to ensure their venue's space is maximised to efficiently deliver a comprehensive floorplan without the guesswork.

Using pre-existing architectural plans or conducting an on-site visit, our designers will ensure a venue is space planned to allow for the optimum amount of functional seating, whilst adhering to the specifics of your design brief.

3D SPACE PLANNING

Another alternative to optimising space is the design of a 3D space plan. Producing 3D renders allows you to easily view and customise your venue's space layout and choice of furniture from any vantage point.

BESPOKE MANUFACTURE

Traditionally hand built in our UK workshop, Inside Out Contracts offer a superior bespoke manufacturing service with expert craftsmanship. No matter how big or small your project, we can create anything from a single chair to developing a complete furniture scheme.

Our highly-skilled workshop team can manufacture a truly diverse range of products alongside a friendly and professional service. Each product is manufactured to your precise specifications, from the dimensions through to the finishing details in order to comprehensively fulfil the design brief and create a true tailor-made concept.

From an initial idea through to installation, Inside Out Contracts will help bring your ideas to life.

To find out more please view our bespoke brochure or visit our website or call our friendly sales team who are ready to help.
