About the company.

Four generations of ODonnells have been guided by one simple and powerful force; Furniture making is more than just a job, it is a passion ... and that passion remains today.

ODonnell Furniture Makers are a leading bespoke Hotel Furniture Manufacturer that specialise in making Hotel Bedroom Furniture for the UK and European marketplace from their 60,000 sq ft factory located in the heart of stunning West Cork, in the SW of Ireland. The facility boasts state-of-the-art facilities and is one of the most innovative furniture manufacturing set ups in Europe.

A little more about us.

Our philosophy is to maintain quality and affordability by translating architects/designers concepts into functional products that will produce the level of comfort and style required by todays discerning hotel guests. For decades 'Caring craftsmanship' has been and is the credo in the factory which runs through to the final product. Our furniture is accredited ISO 9001 plus our manufacturing process meets the toughest finish FIRA 6250 'severe' ratings and confirms to BS6250. From a logistics point of view our West Cork factory has easy and reliable access to both the UK and mainland Europe.

ODonnells Furniture Makers is a family owned business that is very proud of our reputation for solutions, flexibility and customer service. Some of the best global hotel brand names now feature our work in top UK/European locations. Please note there is a selection of completed projects that can be viewed in the Portfolio section of our webpage. For further information or a full list of completed or in progress projects please contact us directly. We would be more than happy to assist you.
