Fast Track

Fast Track is a service dedicated to providing fast custom carpets at an affordable price. These carpets are available in thirteen colours, which were carefully selected to guarantee a modern look with commercial suitability.

We provide six different colour combinations in our Fast Track range. Although, all designs can be recoloured and altered to your own preferences, using our Fast Track colour palette. We can even send you custom samples, as it gives you the chance to visualise the final product.

Our Fast Track range covers all styles. Fluctuating from bold geometrics to traditional classics, there is a perfect carpet waiting for you. Additionally, if you are looking for a specific design, we can design personalised for you! Our pioneering equipment enables us to make any twelve-foot patterns to meet your interior needs.

Fast Track is perfectly suited for unique projects with a time limit. It allows you the opportunity to create a personalised carpet in a fraction of the time. We can have your custom product available within just four weeks from the point of ordering.
