#### WHOWEARE

RHA Furniture is a privately owned British company, established over 25 years ago with a head office in West London.

We are specialists in supplying contract furniture and custom made interior solutions to the leisure, hospitality, corporate and luxury residential sectors. Our discerning clients include interior designers, architects, corporate buyers, luxury hotel chains and blue chip companies both in the UK and overseas.

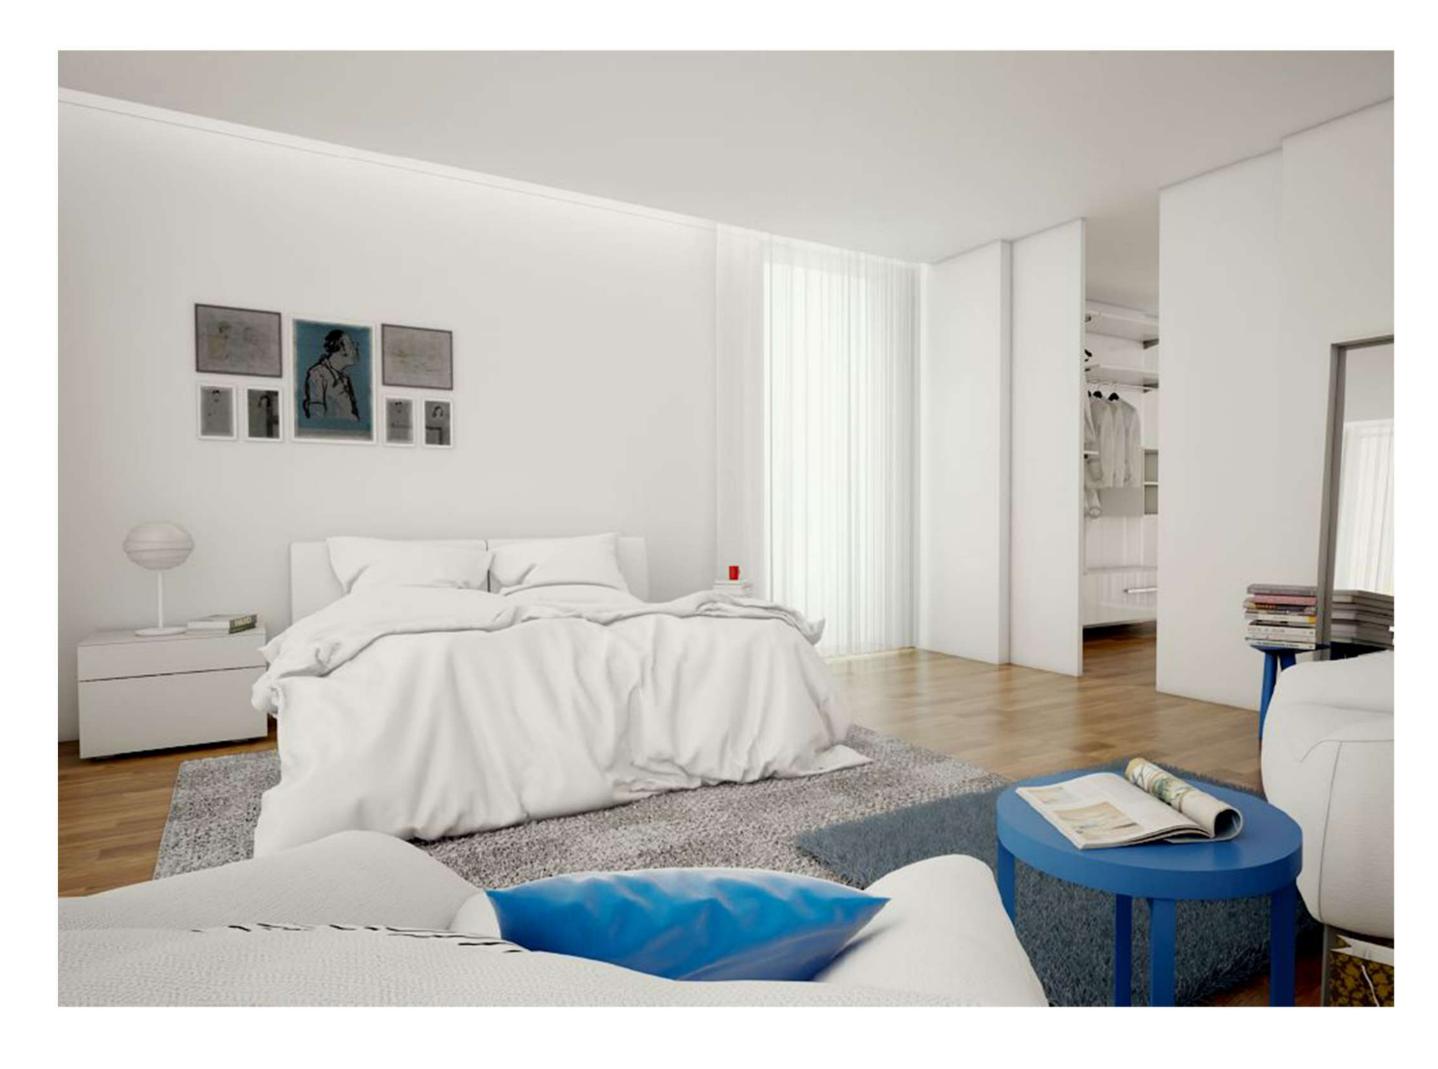

#### LUXURY RESIDENTIAL

We offer our clients a wide selection of beautiful modern, transitional and traditional furniture for use in luxury residential projects. Our team have over 20 years experience working alongside interior designers, architects and businesses in the UK and overseas.

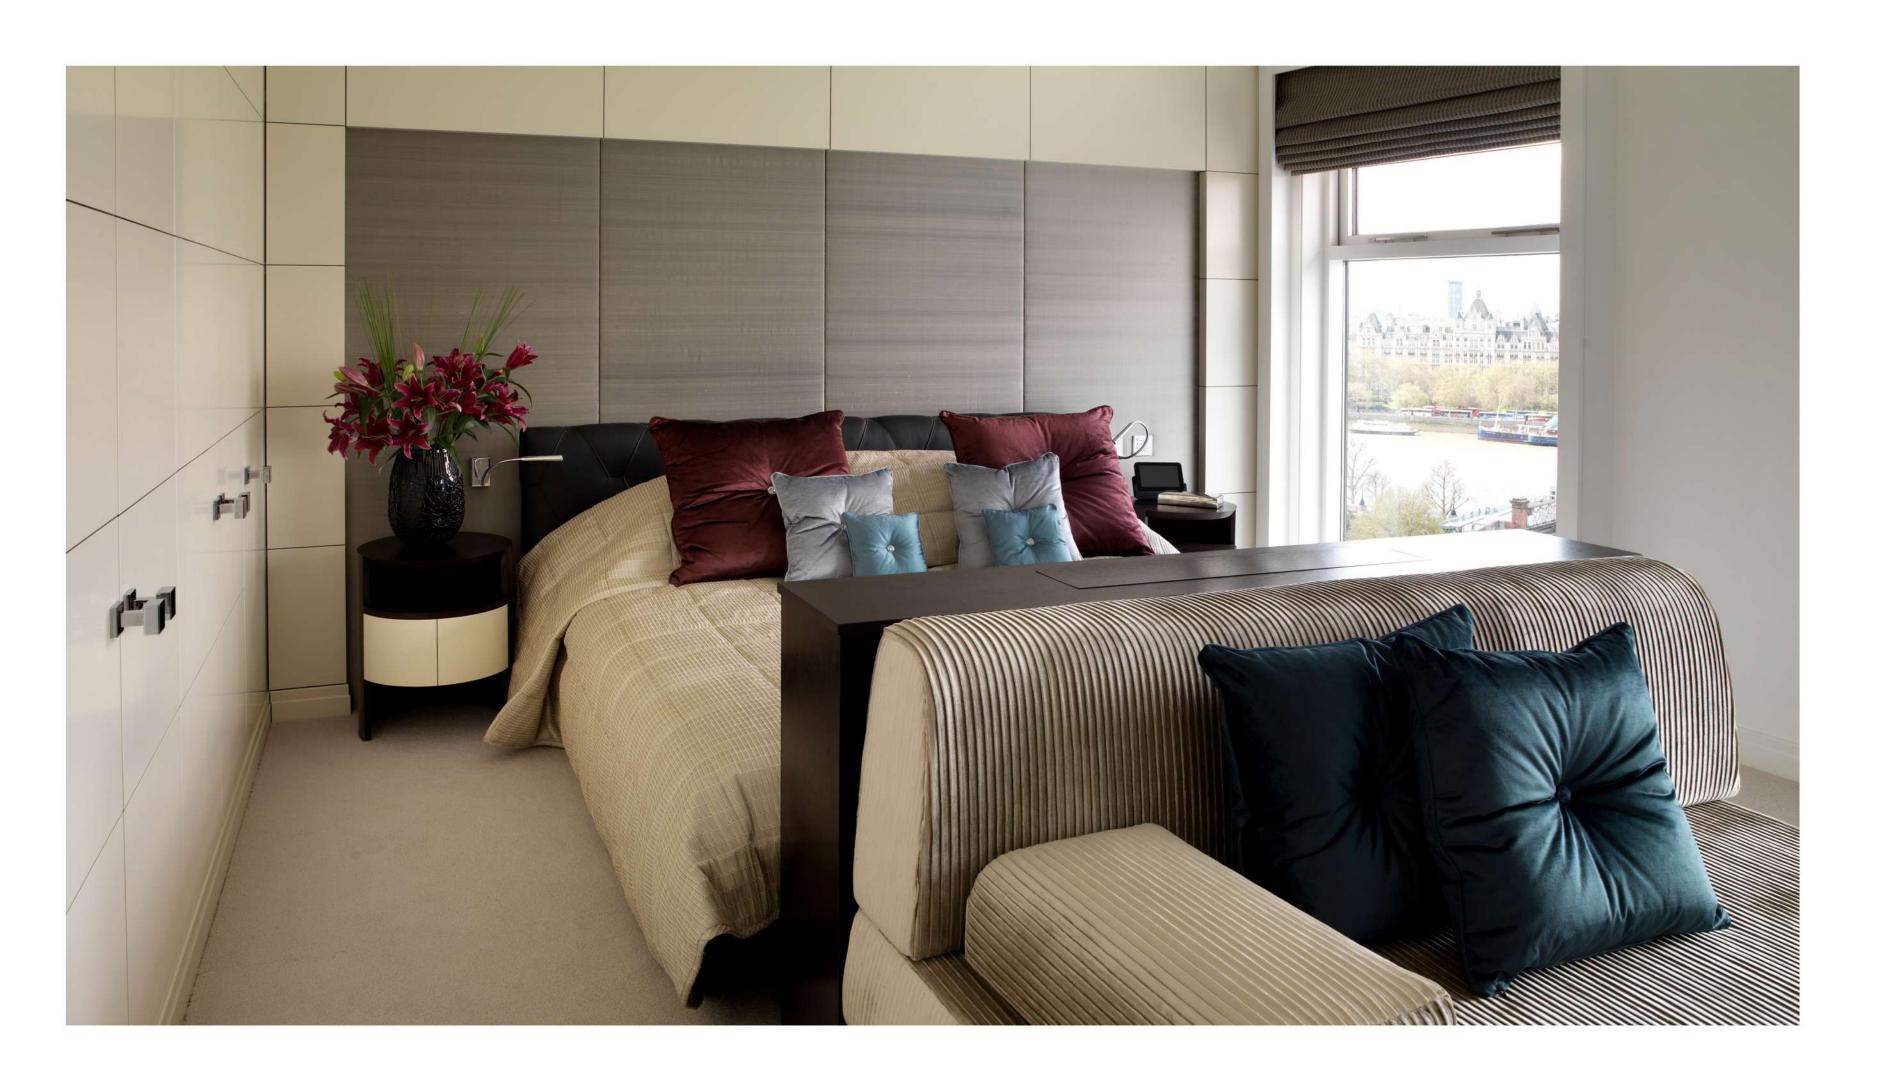

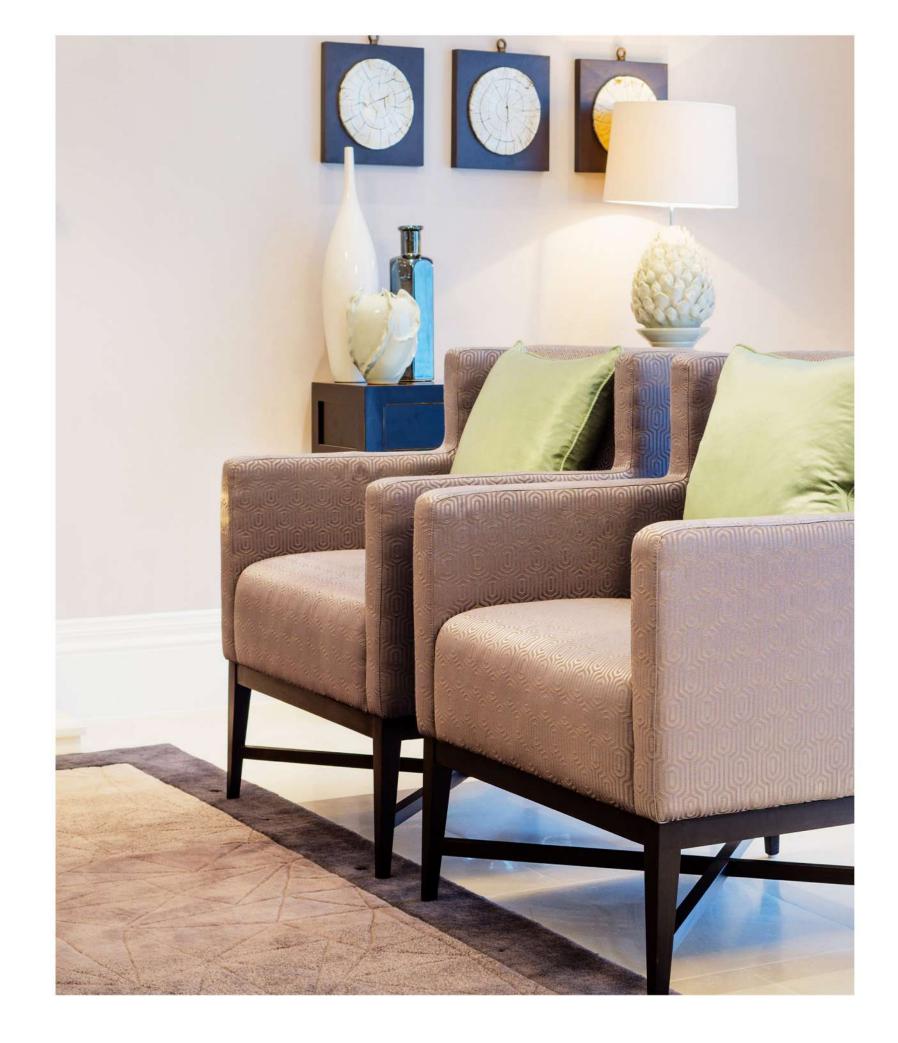

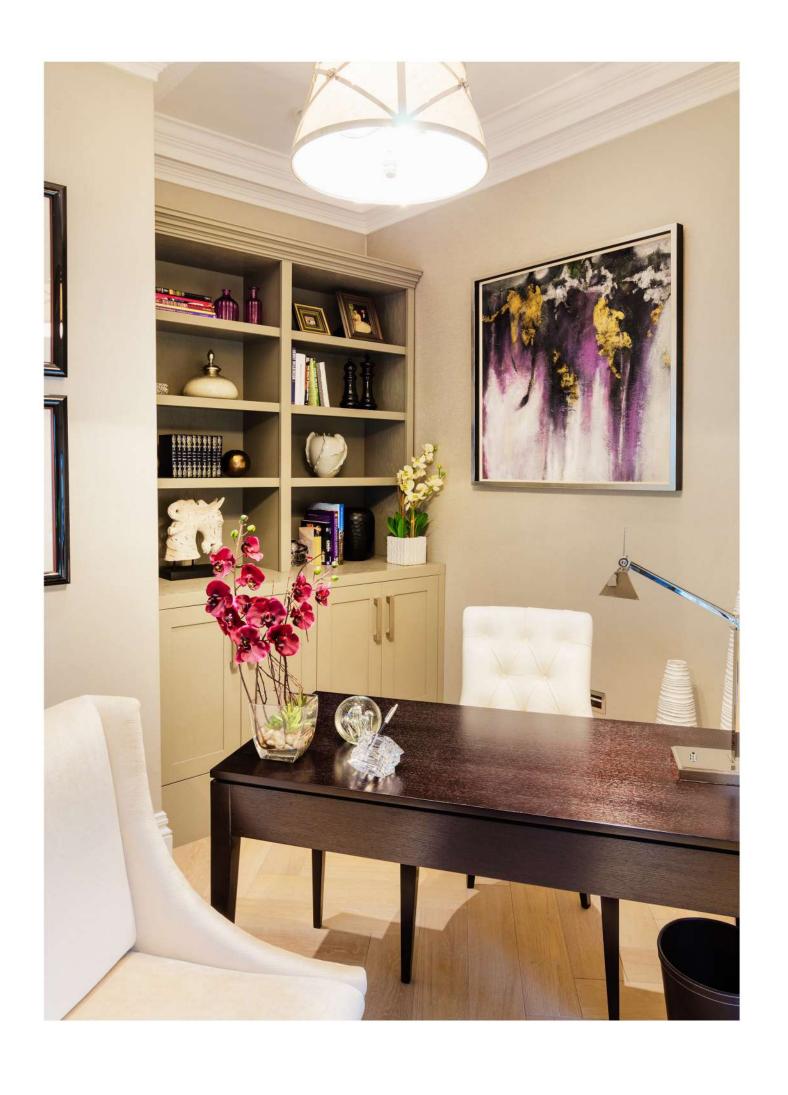

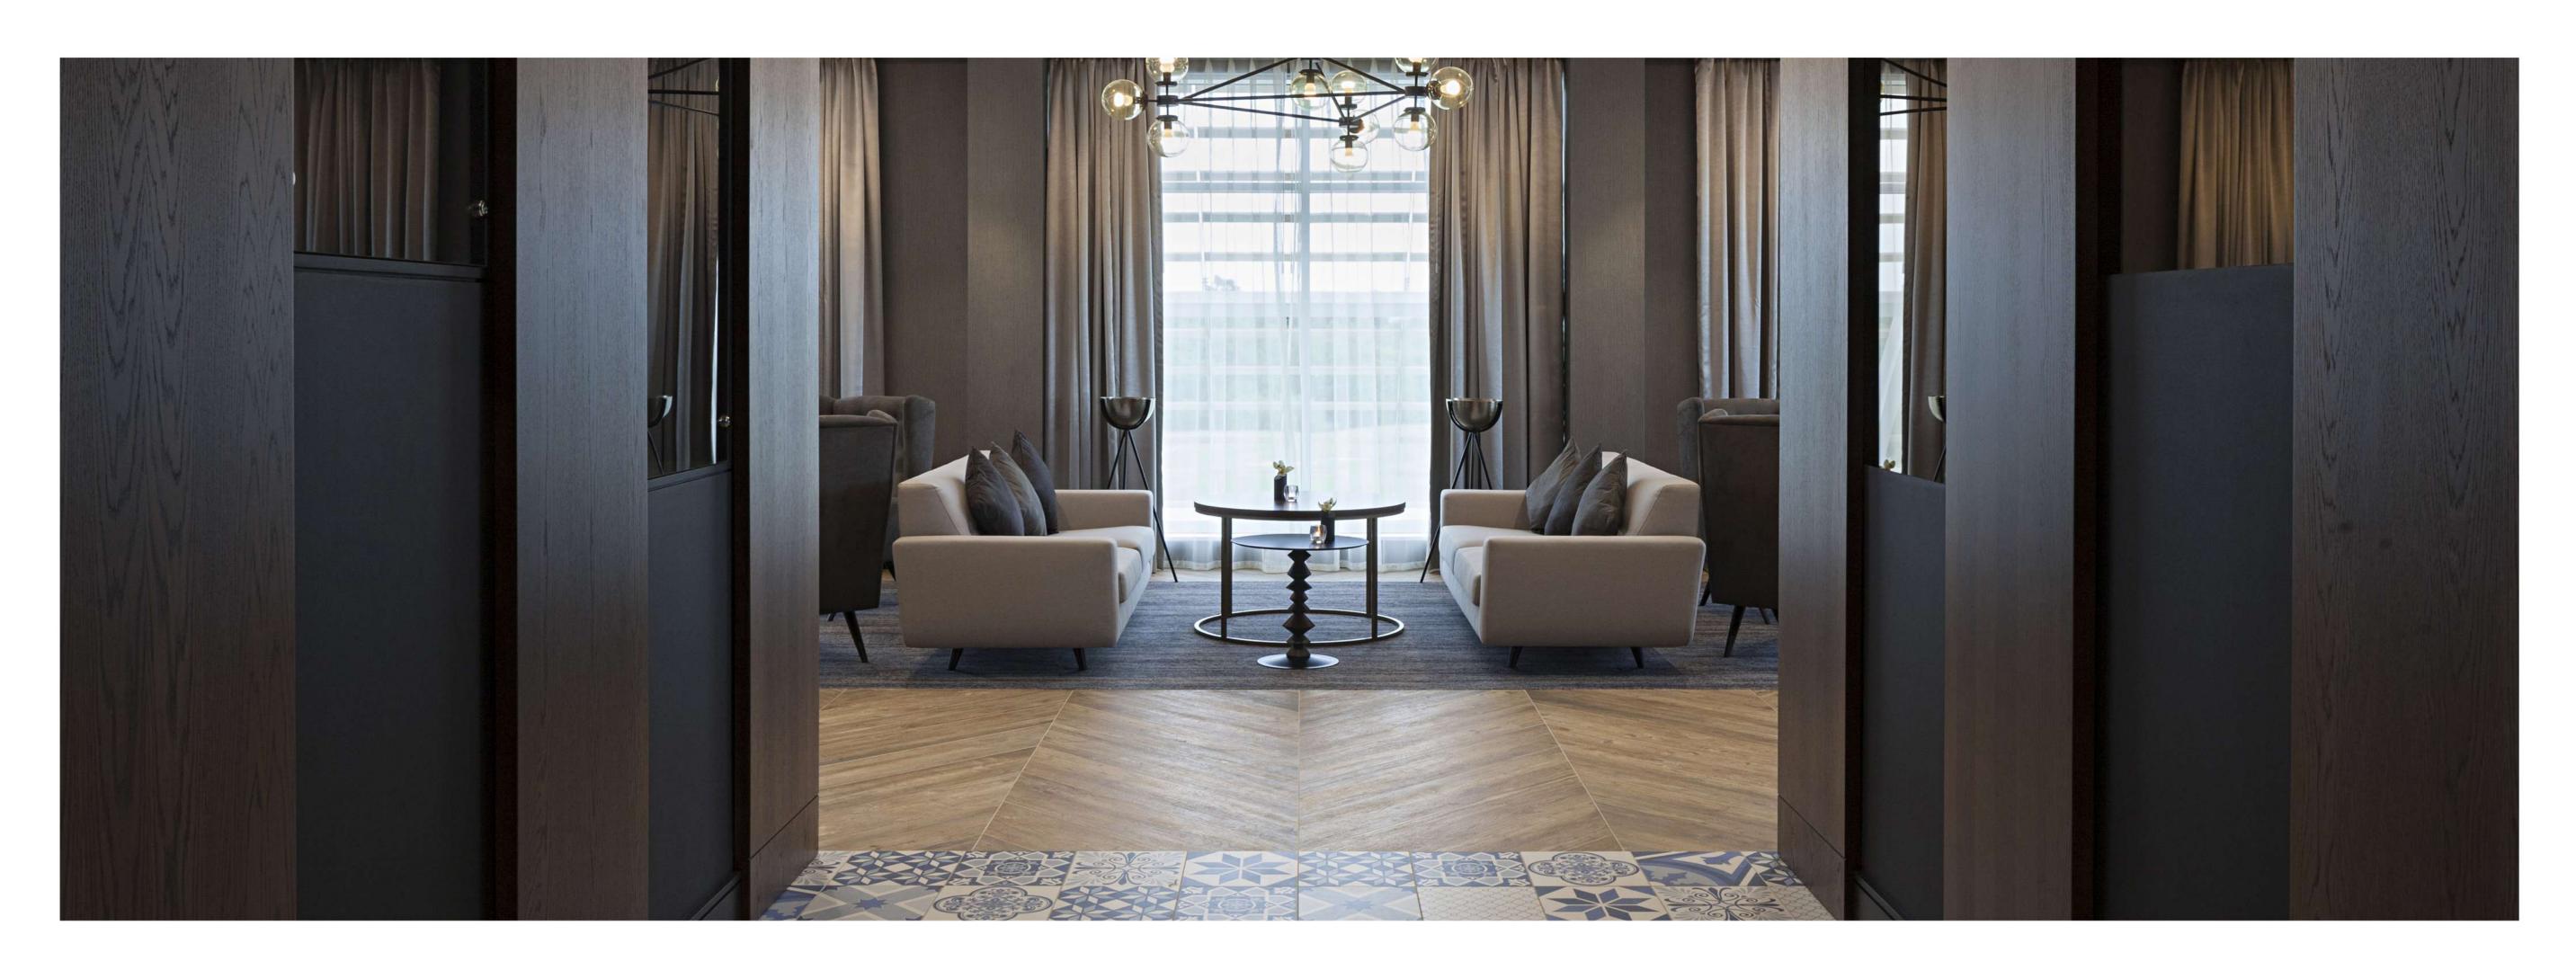

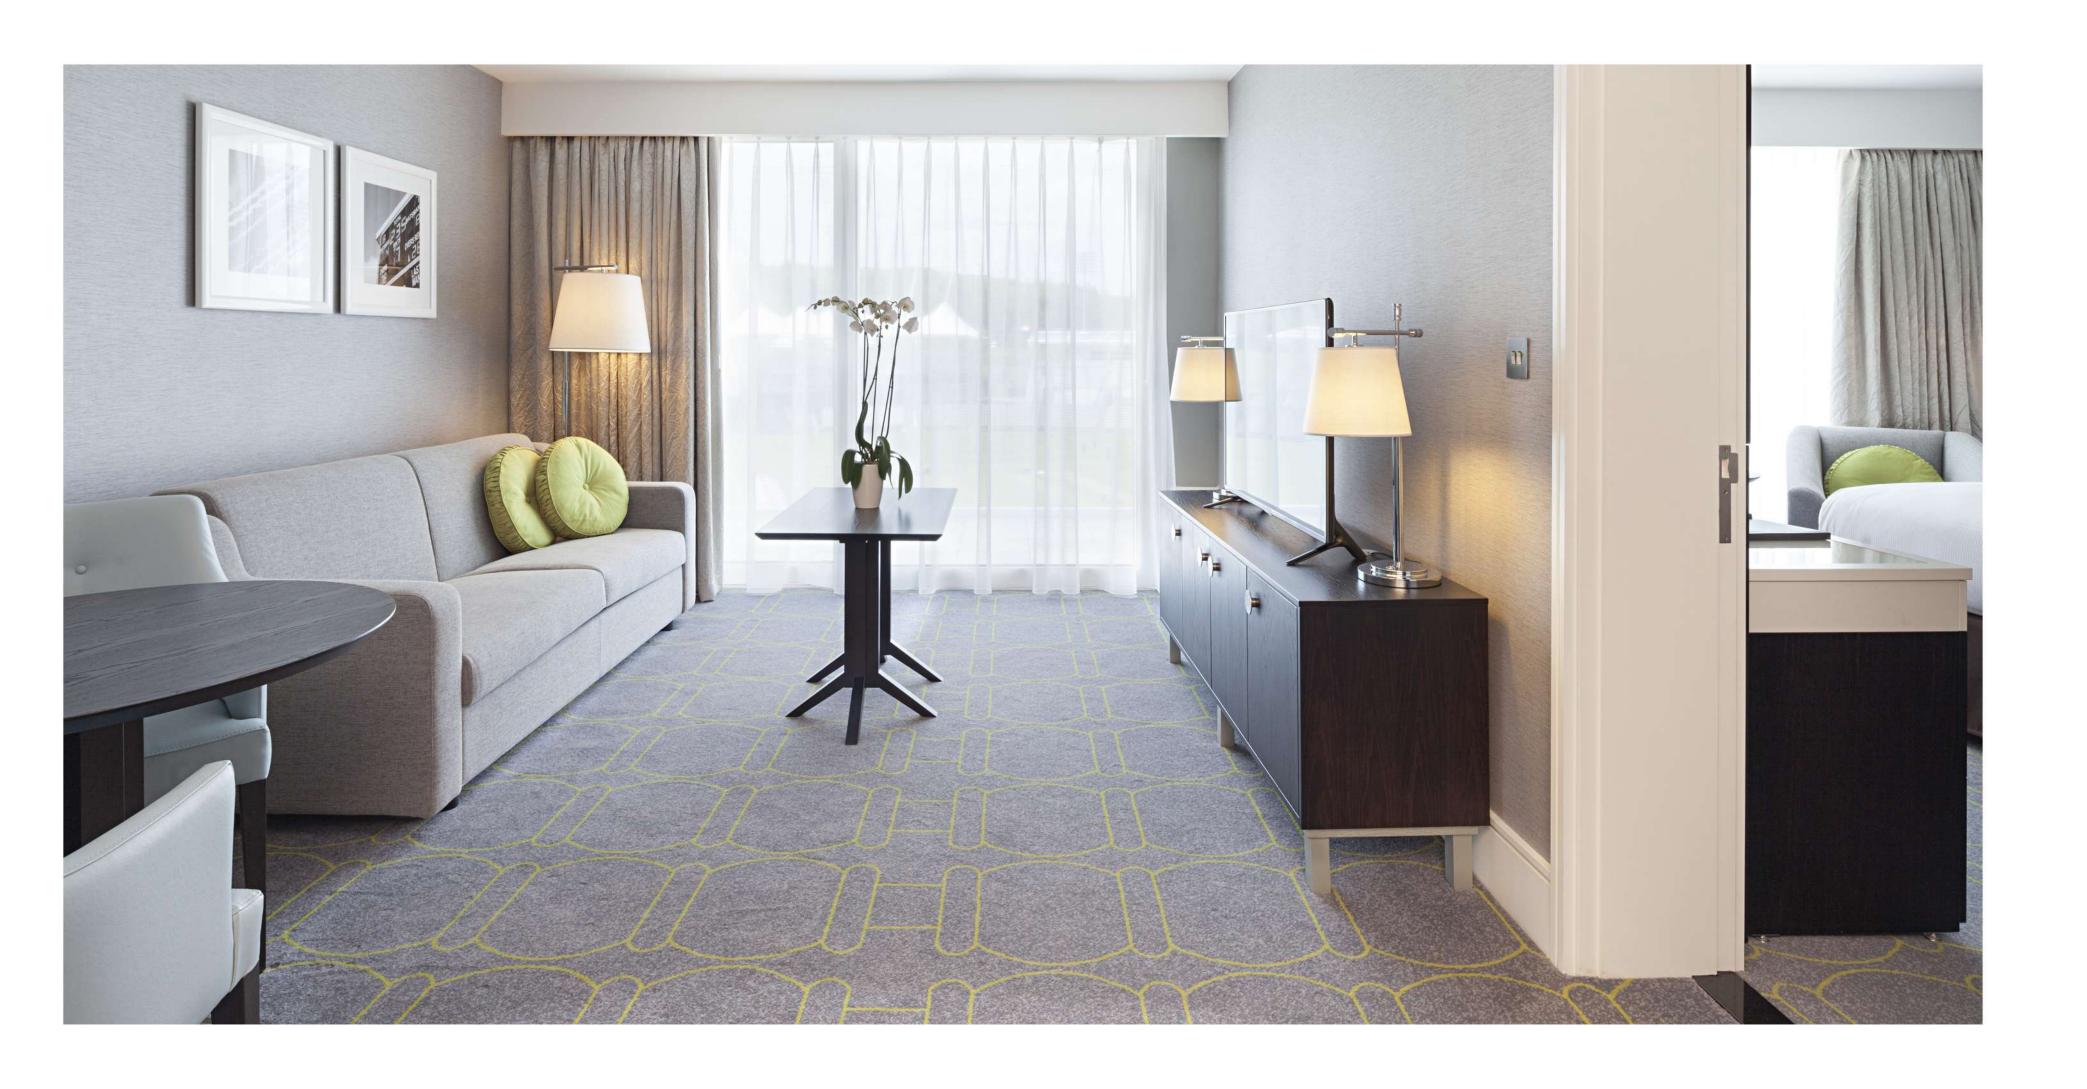

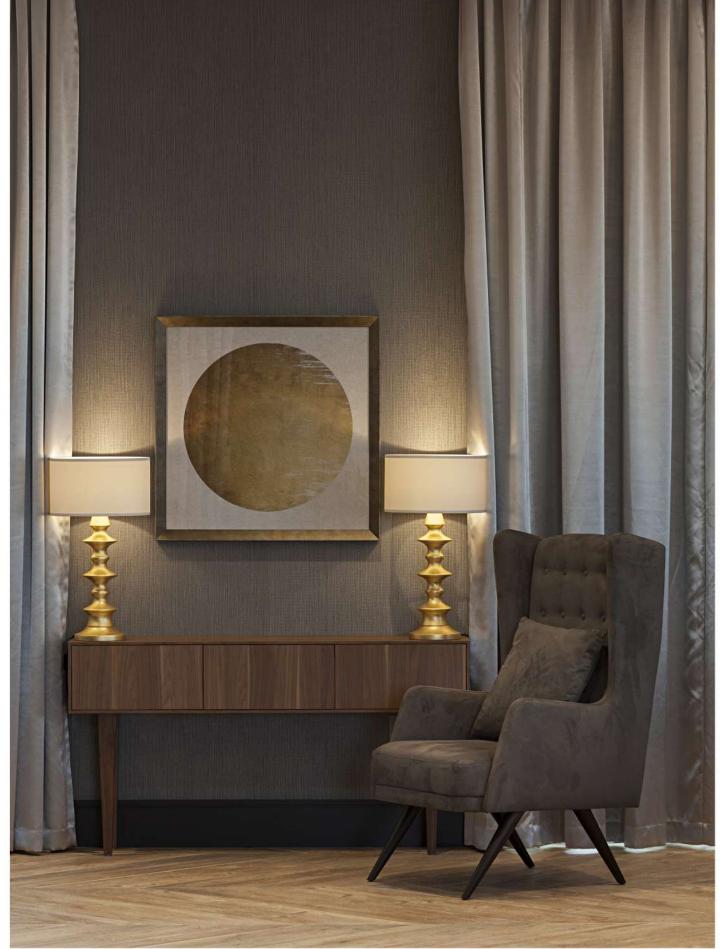

#### HOSPITALITY

We are well known for supplying and custom making furniture for hotels, restaurants, spas, bars, boutiques, health & sport clubs.

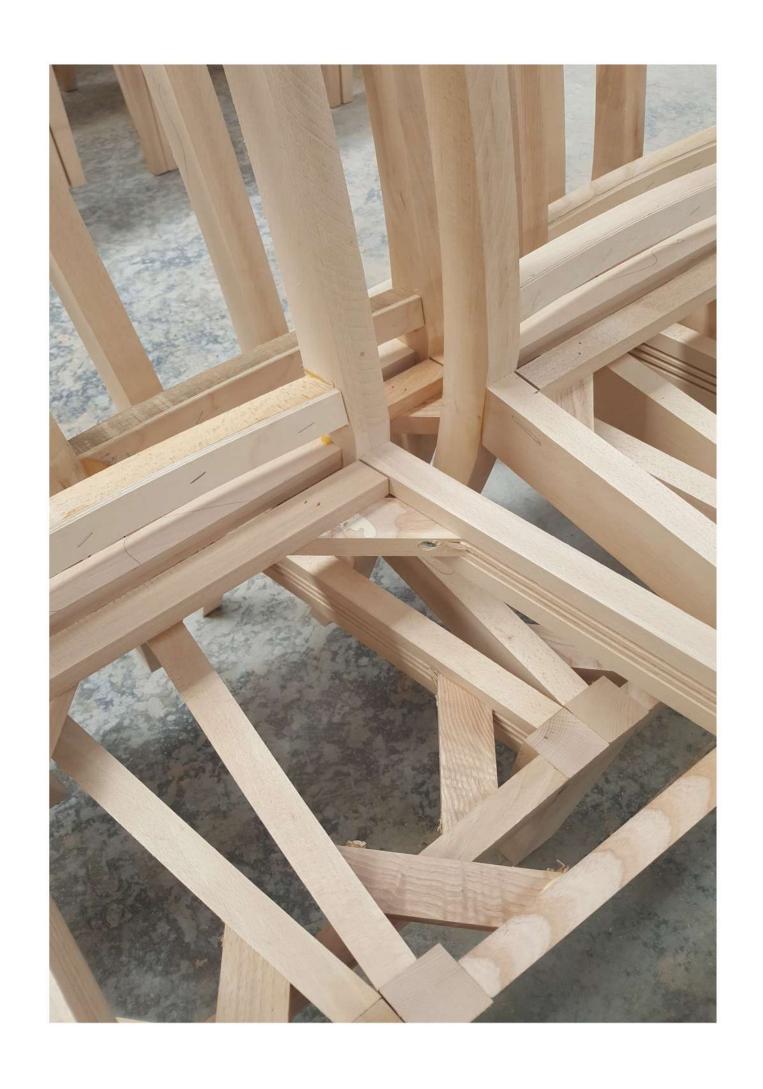

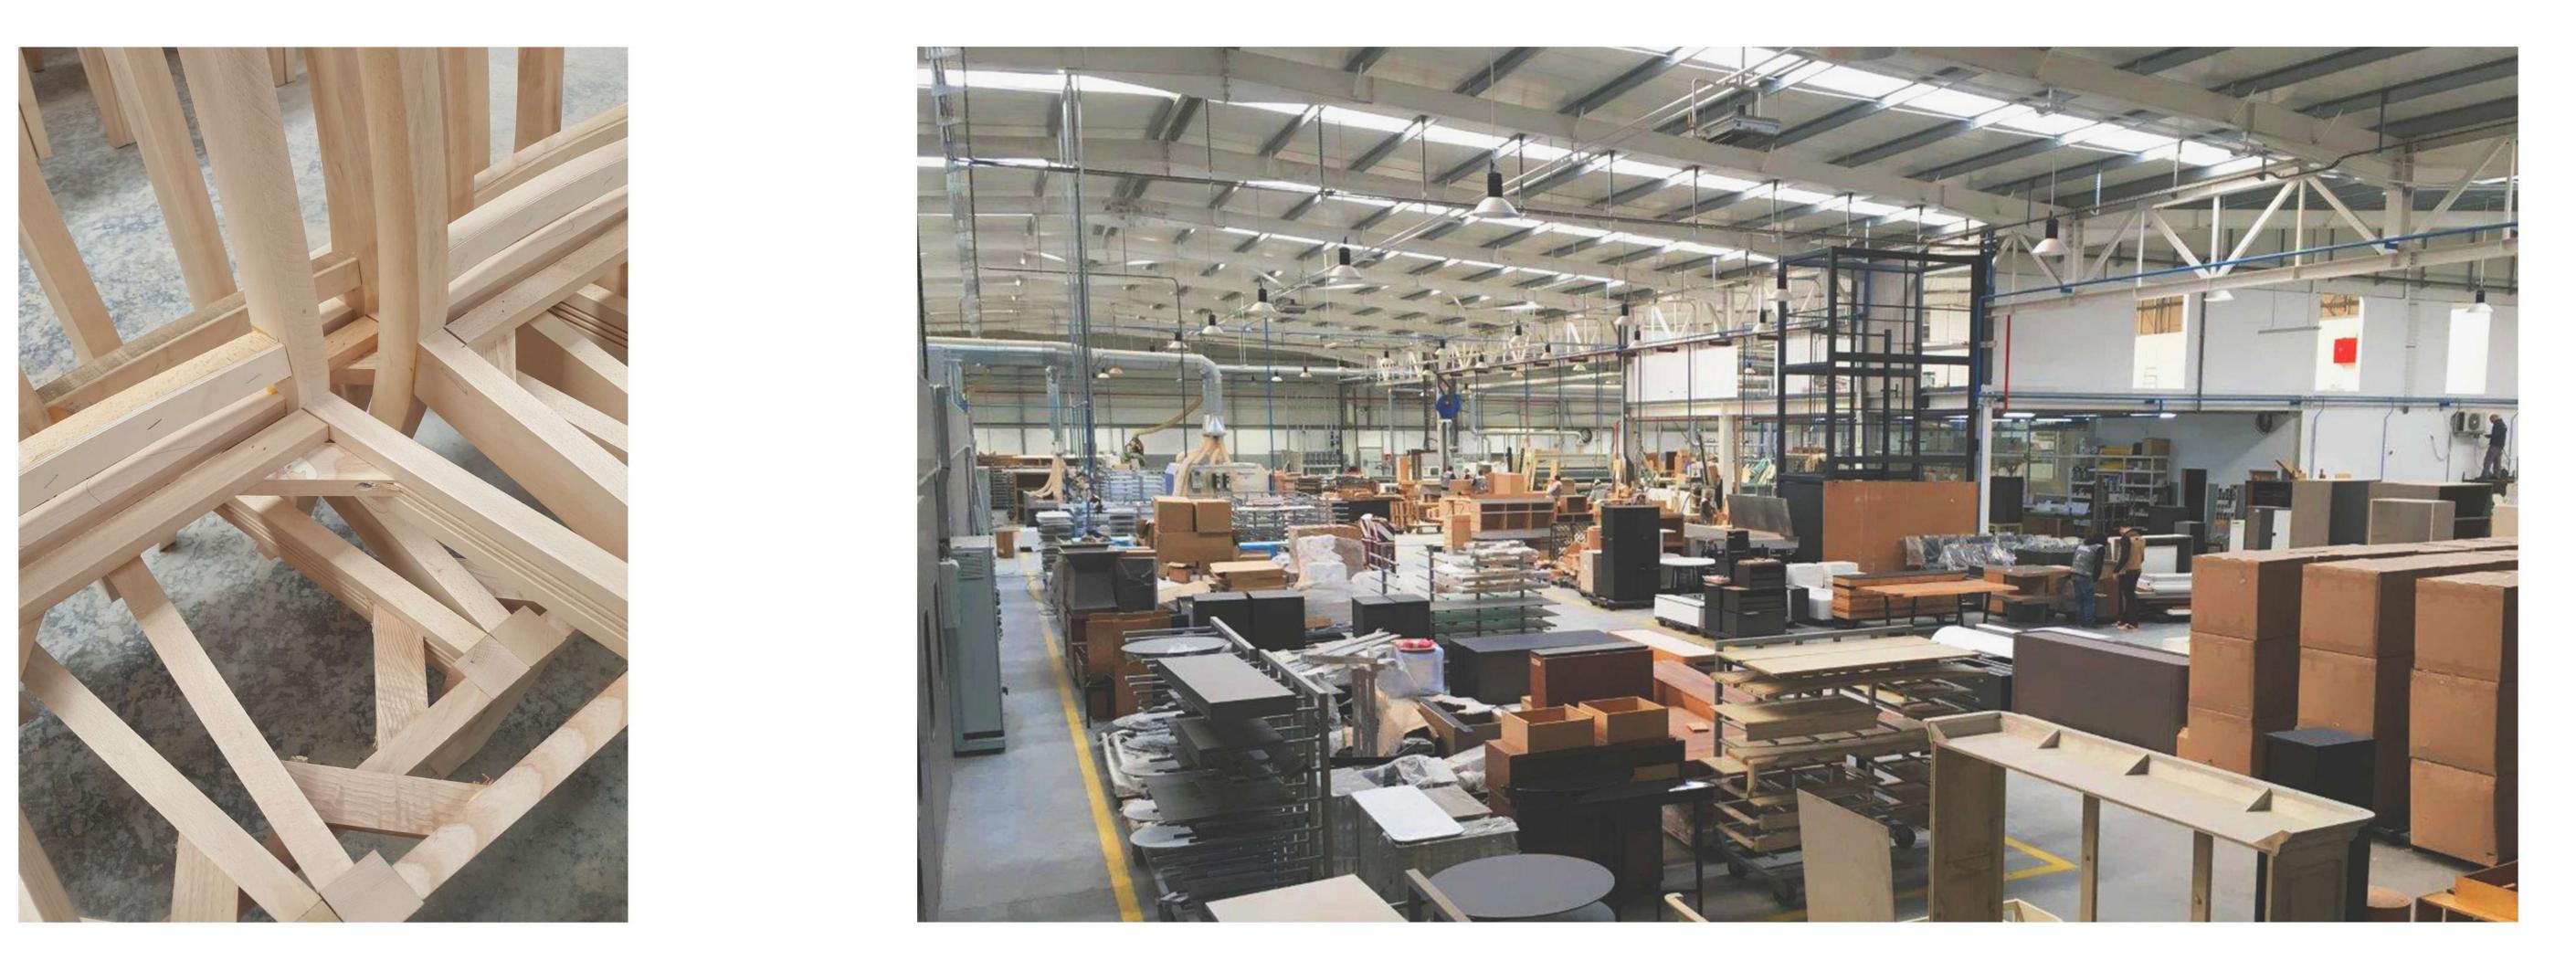

### PRODUCTION

With our partner factories in Portugal and the midlands we have the ability to mass produce your designs. We can create hundreds of pieces a week to your exact specifications.

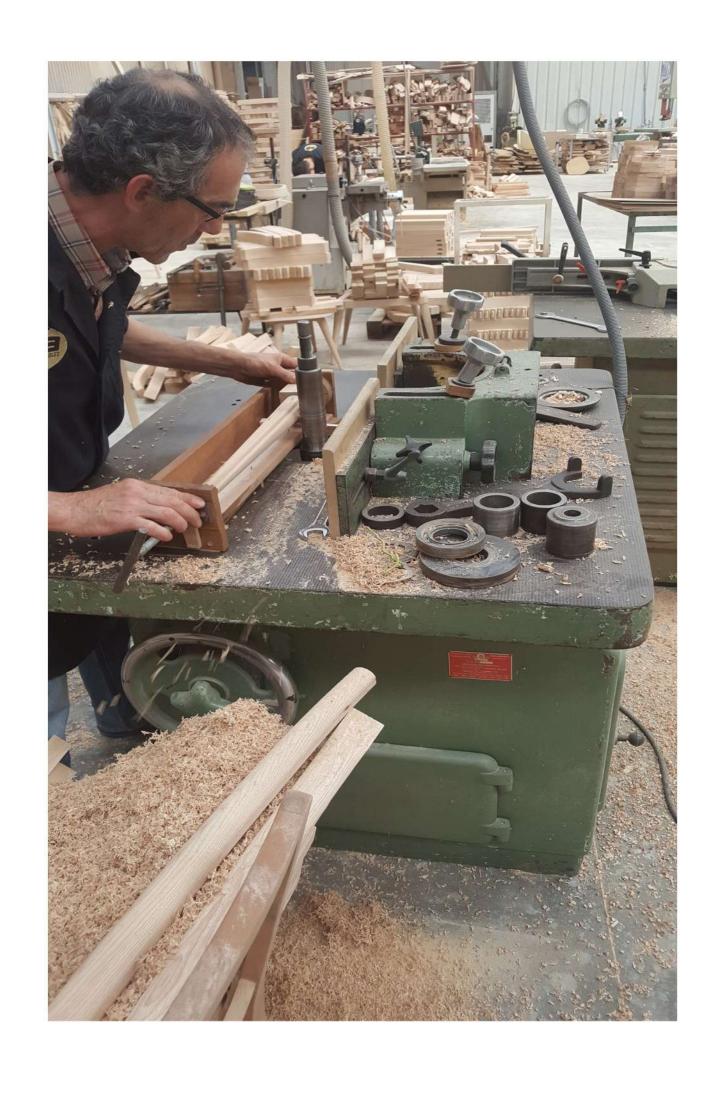

## BESPOKE DESIGN

Add a personal touch, furniture can be made to your exact design and specification from our UK and portugese factories.
