**FibreGuard**  
Stain Free Technology

## **LUCCA – Etiva & Panaro**

Sekers is pleased to announce the launch of LUCCA, a versatile collection of two textured semi-plains; Panaro, a luxurious chenille with a soft worn look and matte appearance and Etiva, a mid-scale basket structure with a subtly lustrous finish. Available in an extensive palette of 40 colours, ranging from sophisticated neutrals to sumptuous jewel tones, Lucca offers a diverse choice of colours and textures.

Incorporating FibreGuard, an advanced finish that helps protect the fabric against spills and stains without having to resort to specialist cleaning, Lucca resists the toughest of stains, including red wine and ballpoint pen.

Supplied with a crib 5 flame retardant backing and with a Martindale abrasion performance of 50,000 and 100,000 rubs respectively, Lucca meets all relevant UK, American and IMO standards for upholstery. Lucca is a handsome addition to any interior and is the ideal choice for the marine, hospitality and leisure markets.
