OVERVIEW

We offer a range of exterior contract furniture suitable for all outdoor environments including hotels, restaurants, universities, garden centres and leisure facilities. Materials include metal, rope, weave, polypropylene and wood, with all models designed to be comfortable, durable and weather-resistant. We offer a variety of different styles including modern and classic, so whether you require furniture for an outdoor terrace area or pool side location, we have something for every design and budget.

This brochure is simply a guide to inspire your furniture selection and does not represent our full product offering. Please visit our website to view a larger collection or contact us if you have any specific requirements.

OUR SERVICE

Extensive experience & brand knowledge

Protocol have been supplying and installing contract furniture since 1991. An Area Sales Manager will oversee your project while a dedicated Sales Support will work with you to meet your requirements and budget.

Reliable delivery & expert install

Our furniture is delivered on Protocol vehicles on a date and time to suit your schedule. Our in-house installation team will set out your furniture according to plan and remove all packaging from site.

Commitment to sustainability

Our commitment to sustainability is founded on the belief that we have a wider responsibility for our contribution to have a lasting impact. We promote manufacturers who demonstrate their commitment to sustainability through using recycled materials, avoiding the use of pollutants and using wood from FCS certified forests.
