## **SOURCE Collection – Bombyx, Haut, Linum, Papyrus**

Sekers proudly launches SOURCE, a new fabric backed vinyl contract wallcovering. Inspired by delicate hand crafted textures and surfaces, Source is a versatile collection of four sophisticated designs including a modern interpretation of a natural raw silk, an understated artisanal paper with a metallic effect, and a simple woven linen effect with a subtle play of colour. Source is available in an extensive palette of 54 colours ranging from refined neutrals to radiant jewel tones.

Meeting all relevant UK and American standards for contract wallcoverings and IMO certified, Source is available in 130cm wide rolls, making it the ideal choice for the commercial hospitality, leisure and marine markets.
