HOW TO GET INVOLVED

Following a strategic review of Commercial Interiors UK's governance structure, we are now inviting expressions of interest to join the CIUK Council. Expressing interest is not a commitment to take on the role, and not all expressions of interest will result in appointment due to limited places and the need for a balanced Council.

To express your interest, please email CIUK MD, Sean Holt, at sean@commercial-interiorsuk.com

Working with the Executive team your knowledge of the sector, experience, skills and appetite to get things done will help accelerate the evolution of CIUK, as it continually strives to bring value and benefits to its members.
