5. Commercial Interiors UK MEMBERSHIP CODE OF PRACTICE & UNDERTAKING

1. The Eligibility of Companies to join Commercial Interiors UK

Any company engaged in commercial furnishing design, manufacture, supply and associated activities operating in the United Kingdom, the Channel Islands, the Isle of Man and the Republic of Ireland shall be considered for membership of the Association and must have been trading as a registered company for 2 years in the commercial sector, or in exceptional circumstances at least 12 months.

2. Commercial Interiors UK Code of Practice

The full code of practice is available to download at www.commercial-interiorsuk.com

2.1 Financial Status

Members will operate within the requirements of UK legislation on the Solvency Act.

2.2 Administration Systems

Members will have in place a documented administration system. Registration under ISO 9001 will confirm this but other methods are acceptable.

2.3 Compliance with Legal and Technical Standards

All products and services supplied to the market must conform fully with the legal and technical standards required for the territory into which they are directly supplied. It is for the member to understand these requirements.

2.4 Environment and Sustainability

The Commercial Interiors UK Environmental strategy describes how members should manage their approach to sustainability. Compliance within legislation is mandatory.

2.5 Employment, Education, Equal Opportunities and Training

Conformance to legislation in all these aspects is mandatory. Further, members will ensure all staff receives the necessary training to undertake their duties. Each member of staff will have a contract of employment.

2.6 Health and Safety

Members will observe the law with regard to health and safety legislation.

2.7 Marketing, Advertising and Promotions

Members will adhere to legal and ethical guidelines for the use of advertising, social media and the Commercial Interiors UK Logo.

2.8 Intellectual Property and Design Right

No member will knowingly plagiarise the designs, brands, know how or matters of intellectual property of other companies. Members will make every effort to protect their designs by the appropriate legal method.

2.9 Insurance

To protect clients using a members services appropriate and sufficient insurance will be maintained to cover public liability, product performance and for the company's day to day operation.

2.10 Client References

Members will maintain and keep up to date a register of client references of their work.

2.11 Customer Service Policy

A comprehensive system will be in place to ensure clients receive the best possible service. In particular a fully documented procedure for dealing with customer complaints will be in place. All staff will be trained in its implementation.

2.12 Conditions of Sale

A member will have in place a full set of conditions of sale. As an example of the minimum requirement the Commercial Interiors UK Conditions of sale are available for use by members and referenced by clients.

2.13 Infringements and Enforcement of Code

Should a client consider the performance of a member falls below standard they should refer to the full code of practice. If after consultation with the member and the matter remains unresolved Commercial Interiors UK can be approached for consultation. In circumstances where it is concluded a breach of the code may have occurred Commercial Interiors UK will investigate.

3. Code of Practice
