

UK Creative Industries Mission to Riyadh

9 - 11 September 2025

Foreword

On behalf of the UK Government's Department for Business and Trade, I am delighted to welcome you to the UK Design & Interiors Pavilion at the INDEX Saudi Arabia Show here in Riyadh where we are showcasing companies with significant experience across the fields of design and specialist furnishings and fixtures.

The UK has a strong record of bringing design expertise to projects across the Gulf region, with British companies involved in many of the iconic projects that have been successfully delivered in recent years.

Working alongside Commercial Interiors UK, our showcase brings to you UK creative companies with a successful track record of helping create memorable destinations & visitor experiences which leave a lasting legacy across tourism, hospitality, retail & brand development.

You can find further information and contact details for our companies who will be at the UK business lounge in this brochure.

I wish all our participating companies a very successful visit.

Design Insider

Description of products/services

Design Insider is the digital magazine and media partner of Commercial Interiors UK (CIUK), publishing daily editorial content dedicated to the commercial interiors community. As the only UK online magazine covering the entire commercial interiors sector — including workplace, hospitality, care, cruise, and education — Design Insider provides a trusted platform where knowledge, products, projects, and people are shared and celebrated.

Our editorial approach is broad and dynamic, offering valuable opportunities commercial interior furnishing suppliers but also to interior design and architecture studios, industry leaders, and key sector voices. Contributors share insights through a variety of formats, including product features, project case studies, people profiles, sustainability journeys, and opinion pieces. We also run exclusive editorial series such as You're Invited!, Joyful Spaces, Have Your Say, and Workplace Opinions, each designed to spark discussion, celebrate creativity, and provide knowledge-driven content for our engaged readership.

In addition, bespoke editorial opportunities allow contributors to collaborate directly with our editorial team to create tailored content that aligns with their expertise, projects, and brand objectives. This sits alongside our annual editorial calendar, which delivers four quarterly campaigns exploring key themes shaping the commercial interiors industry.

At the heart of Design Insider's work is our commitment to supporting CIUK members. All members gain full access to editorial opportunities as part of their membership, ensuring their expertise, projects, and products are positioned directly in front of architects, designers, specifiers, and operators. By actively promoting members' work, we strengthen connections, generate business opportunities, and champion the impact of commercial interiors across the UK and beyond.

Loomah Bespoke Carpets & Rugs

Description of products/services

Loomah offer a complete bespoke design service with a distinct focus on a unique and personal customer experience to discerning customers across the globe.

All of our carpets and rugs are custom made to order to the exact specifications of each individual customer. We have established an eclectic portfolio of both modern and traditional designs, but it is our personal design service that allows our clients to create something completely unique. No matter the size or scope of a project, we pride ourselves on our attention to detail and going the extra mile to ensure the end product is the ultimate in design, elegance and luxury.

Everything is designed by our in-house design team in our London showroom and expertly hand tufted to the most exacting standards by highly skilled craftsmen. Whether you have a concept in mind or wish to utilise the expertise of our designers to draw inspiration from your existing interior, our team will work with you to develop your design, ensuring the end product will harmonise with the overall look and feel of your space.

Loomah do not have a set look or style, with our focus instead on creating bespoke designs tailored to our client's individual specifications. We have always championed original design and creating bespoke pieces that will stand the test of time. Whether it is the simple opulence of a luxury silk carpet in a plain custom dyed colour or an intricate border design following the contours of an elaborate staircase, every project is designed to suit the specific requirements of each individual interior offering a truly bespoke product.
