With a visitor profile now spanning hospitality, workplace, care, and build-to-rent, alongside our core design and architecture audience, this is your opportunity to reach a wider market than ever before.

The show has evolved with a new name, a new look, and a sharper purpose. Formerly Dublin OPEN, it's now the Commercial Interiors Supplier Finder Show, rebranded to reflect exactly what it delivers and align with Commercial Interiors UK's contemporary and inclusive brand. We're also upgrading exhibitor spaces from table tops to professionally branded shell scheme booths, offering greater presence and impact.
