“

Sponsoring the Next Gen Awards at CIUK was a brilliant experience for us. It was great to be part of a night that champions emerging talent and celebrates the future of our industry. The CIUK team were, as ever, lovely to work with - organised and made the whole process really straightforward.

We had the chance to connect with fresh thinkers, future leaders, and operators who are genuinely shaping what comes next. The exposure and conversations we had on the night have already led to some exciting follow-ups.

Overall, a great event to be a part of and a proud moment for our team. We'd definitely love to be involved again.”
